

Spanish Newsletter

I am incredibly proud of our students and the entire Atwood community. We have learned how to adapt during this unprecedented time. In Spanish, we continue to work on the language skills that build a foundation for success. It's been great working with Atwood students in an active, safe and fun environment.

Safety

We are following many new safety and cleaning procedures this year in our PE program. All PE classes are being held outside whenever possible (weather). We are using very limited equipment. When equipment is used, it is sanitized before another student uses it. All students have done several fun and healthy lessons using pool noodles to help learn about social distancing.

Immune System Health.

- ⇒ Wash Hands Often
- ⇒ Eat Nutritious Meals & Snacks
- ⇒ Get a Good Night's Sleep
- ⇒ Exercise Regularly
- ⇒ Stay Hydrated
